Glenwoods are Brim Full of Good Things

The Glenwood Balanced Baking Damper is far ahead of any other—it is as positive as the turning of a railroad switch—open to start the fire, closed to bake—just this one damper for kindling or baking and best of all, it can't warp or stick.

The Glenwood Revolving Coal Grate is easy to shake at all times, and simply fine for removing clinkers. It is triangular in shape, with three different sides for wear.

The Ash Pan rests on a roller bearing frame—just open door and it rolls out at the slightest touch, neat and clean.

The Glenwood Shelf Under Oven Door is not stationary—it automatically raises and lowers as oven door is opened or closed. It is always level with oven bottom—a great convenience when basting meats or removing food.

The Glenwood Sectional Top is interchangeable—cross pieces can not warp—a wash boiler can be placed at the back, as well as in front for quick heating, leaving the front holes free for cooking.

Glenwood Iron is smooth and perfect—the easiest of any to clean—a real delight to the most exacting housekeeper. Get one and you'll be glad ever after.

Three Days says Local Druggist

If you are rapidly losing your hair and fear baldness W. L. Gokay invites you to make a three days' test of Parilisin Sage. If it does not stop the excessive loss of hair and make your hair and scalp look and feel at least 100 per cent. better, they will return your money.

Hundreds of men and women have written telling of the phenomenal results obtained by using Parilisin Sage. People who were bald say they now glory in their beautiful hair. Others who have had dandruff for years say they got a clean, healthy scalp after just a few applications of this splendid treatment.

No matter whether you are bothered with falling hair, prematurely gray hair, dry and brittle hair, oily, greasy, straggly hair, dandruff or itchy scalp, this well-known local firm invites you to try Parilisin Sage at their risk. If it succeeds the cost is trifling, and should it fail the cost is nothing. No strings or red tape to this money back offer. If your hair is worth saving, Parilisin Sage is worth trying, and a large bottle is inexpensive at your favorite drug or toilet counter.
